Fox Life Cycle Worksheet

Name: _____ Date: _____

1. Put the stages in order

Write 1, 2, 3... in the boxes to show the order of the fox life cycle.

☐ **Juvenile** – Cubs play outside the den and learn to hunt.

☐ **Adult** – Grown foxes find their own territory and have cubs.

☐ **Cub** – Fox cubs are born blind in an underground den.

2. Match the word to its meaning

Write the letter next to each word.

1. mammal	A. a sheltered home for some wild animals
2. den	B. an area an animal lives in and defends
3. territory	C. warm-blooded animal that feeds its babies milk

3. Draw and label

Draw your favourite stage of the fox life cycle and label it.

4. Explain

What happens between the first and last stage?

Answer key

Correct order

Cub → Juvenile → Adult

Word match

1–C, 2–A, 3–B

Try this activity

Look for signs of foxes on a nature walk, like footprints or trails, without approaching dens. Draw fox prints and compare them with dog prints. Never touch or feed wild foxes.
